India's Leading Energy Company Seeks Future Energy Leaders

IndianOil

Indian Oil Corporation Limited is a diversified, integrated energy major with presence in oil, gas, petrochemicals and alternative energy sources. Empowered with the 'Maharatna' status, the organization aspires to be 'The Energy of India' and 'A Globally Admired Company'. IndianOil also features among top 100 Global Companies in the Fortune Global 500 list for the year 2023.

Indian Oil Corporation Ltd. is looking for energetic and dedicated Graduate Engineers to join the organisation through GATE 2024 from following 08 (eight) disciplines:

Chemical Engineering (CH) | Civil Engineering (CE) | Computer Science & Information Technology (CS)
Electrical Engineering (EE) | Electronics and Communication Engineering (EC)
Instrumentation Engineering (IN) | Mechanical Engineering (ME) | Metallurgical Engineering (MT)

This advertisement supercedes our earlier advertisement published in the context of recruitment through Gate 2024 for 06 (Six) disciplines.

Interested candidates must appear in GATE 2024 examination in one of the aforesaid discipline in order to apply in IndianOil. In addition to appearing for GATE 2024, Candidates will also have to apply separately on ONLINE portal of IndianOil which will go LIVE after GATE 2024 results are declared.
