New Delhi: Domestic natural gas will be priced at \$2 per mmBtu, almost unaltered from the current price when the government revises rates on April 1, ICICI Securities said in a report.

The new expected price, based on net calorific value (NCV), is derived from international prices in the calendar year 2020. The current price, published by the government on a gross calorific value (GCV) basis, is \$1.79 per mmBtu, a record low. On NCV basis, this amounts to \$2.

Most of the country's natural gas output is sold for a price obtained under a government-set formula introduced in 2014. Prices are revised every April and October and are valid for six months.

The expected price for April-September this year would be about 64% lower than the highest price ever obtained under the formula.

The international gas market has been oversupplied for some years, resulting in lower prices. India, which imports more than half of its natural gas needs, has benefited from low prices. Domestic producers, however, find the formula prices too low and say lo-

New Delhi: India is likely to develop dedicated midnight freight corridors for better management of freight into ports and airports, as part of the National Trade Facilitation Action Plan that outlines steps to improve the country's ease of doing business ranking among global peers.

The ministry of road transport and highways and the National Highway Authority of India will work on the project along with state governments as it would require land use approvals, as per the action plan. The NTFAP has kept the timeline for execution at three years, which includes expediting construction of the Maduravoyal Elevated Corridor in Chennai that has been stalled for many years.

The action plan, which will span over three years till 2023 and will be executed by the Central Board of Indirect Taxes and Customs, also calls for setting up a National Air Cargo Community System that will enable advance slot booking and hence improve efficiency of processing airfreight shipments.

To be implemented over a period of six to 18 months, the system will include radio frequency identifica-

Enhanced single-window with digital preference certificate for exporters

tion machines used at airports. Electronic checking of tags will optimise gate operations and reduce turnaround time of vehicles.

An enhanced 'single window' interface for all government approvals and clearances has also been proposed. This will include digital preference certificate of

port to countries with which India has trade agreements, digital sharing of shipping bill automatically for export shipments and integration with DGFT's system.

The action plan also aims to amend Advance Ruling Rules to operationalise the decentralized architecture of Authority for Advance Rulings. The CBIC will have to issue a notification to include tariff rate quotas, valuation and exemption and any other area as a subject for advance rulings, it specified. Changes to the customs brokers licensing regulations to enable appeal and review, also by February 2022, have been planned.

The plan also proposes to mandate provisional assessment as it aims to de-link release of cargo from duty payments, taxes, fees or other charges.

"Explore feasibility of implementing a financial instrument for the purpose of revenue protection in order to expedite clearance of goods wherein the amount of guarantee shall not be higher than the amount that would be required to ensure the payment of the dues," the action plan specifies.

Two other family offices have also invested in the company but their names were not disclosed.

kept open for inspection in the office of Council situated at 404 R Square, Opposite E.S.I.S. Hospital, Lal Bahadur Shastri Marg, Mulund (West), Mumbai- 400 080 up to 06/07/2019. The Registrar did not receive any claim for inclusion of name in the roll or also did not receive any objection as to inclusion of any other person's name in the roll or to any particulars in any entry in the roll. Therefore, the Electoral Roll prepared and kept open for inspection was deemed to be final on 13th Day of July 2019. Accordingly, same was handed-over to the Returning Officer appointed by Government of Maharashtra. AS required under Rule 7 of MSPC Rules, the Returning Officer then prepared and published election program in the Maharashtra Government Gazette dated 02/03/2020 and in various newspapers on 05/03/2020.

considering outbreak of COVID-19 Pandemic and lockdown declared by Government of India, returning officer published on MSPC official website and then in Newspapers dated 04/04/2020 Notice regarding postponement of Election program to MSPC.

considering various orders issued by Government of India and Maharashtra Government regarding New normal and relaxing norms of lock down, president MSPC directed Registrar to call for extra ordinary council meeting via online mode on 22/12/2020 to discuss MSPC election issue. The Council, in the said meeting, examined the issue and noted that there is a reasonable time gap between the cut-off date fixed earlier. To avoid probable consequences of this time gap, the Council took a decision to revise the cut-off date so that the Pharmacists newly registered and those who have renewed their registration during approximately twenty months after 08/02/2019 and the pharmacists whose names are reentered in the register during this period are not deprived off their right of casting of vote or contesting the election. The Council therefore resolved to revise the cut-off date to 31/12/2020. In view of the aforesaid revision in cut-off date, a fresh notice of publication of Electoral Roll is issued superseding the notice issued in the Maharashtra Government Gazette dated 18/06/2019. All concerned are requested to take a note of the following notice published as required under Rule 4(2) of the Maharashtra State Pharmacy Council Rules, 1969.

NOTICE OF PUBLICATION OF ELECTORAL ROLL

Notice is hereby given that the electoral roll for election of members of the Maharashtra State Pharmacy Council under clause (a) of Section 19 of the Pharmacy Act, 1948, has been prepared in accordance with Rule 4 of the Maharashtra State Pharmacy Council Rules, 1969 and copies of the roll will be available for inspection at the Office of the Council situated at 404 R Square, Opposite E.S.I.S. Hospital, Lal Bahadur Shastri Marg, Mulund (West), Mumbai 400 080

2 (a) Every claim for inclusion of name in the roll, or
(b) every objection to -
(i) the inclusion of any other person's name in the roll, or
(ii) to any particulars in any entry in the roll,
shall be addressed to the Registrar and shall be presented or sent by post to him at the address referred to above, so as to reach him on or before the 9th day of April 2021.
