Deputy General Manager (Projects)

Subject : 'No Objection Certificate' for laying the under-  
ground petroleum product pipeline from Kamla  
to Gandhinagar for Gujarat Sector.

Dear Sir,

Please refer to your letter no. PL/EO/S/24 dated June 22, 1967 regarding the 'No Objection Certificate' of this Board for laying the underground petroleum product pipeline from Kamla to Gandhinagar (for Gujarat sector). We have examined your proposal and various measures concerning the safety and protection of the pipeline to prevent adverse effects on the environment and would like to inform you that we have no objection in your laying down this pipeline for the transport of petroleum product, subject to the following conditions : --

1. All the safety measures shall be implemented in accordance with the proposal submitted by you, vide your letter dated June 22, 1967. These shall be governed by the concerned authorities to ensure that the various provisions conform to the specified standards.
2. While unloading, pumping and/or handling the petroleum products at Kamla and other pumping stations adequate steps shall be implemented to prevent leakage of the petroleum products into the environment.

If any effluent is generated during or upon the petroleum products at any of the stations on the pipeline route this effluent shall be treated to conform to IS-2496-1962 (for disposal into inland surface water) and the requisite consent for the disposal of the same shall be obtained from the State Pollution Control Board.
