VENDOR MEET – MAKE IN INDIA

Indian Oil Corporation Ltd., Gujarat Refinery is organizing a **Vendor Meet** on 21st September 2015 at New Administrative Building Auditorium of Gujarat Refinery, Vadodara with the theme **“Make in India”**. This program is a part of the roadmap for successful implementation of “Make in India” campaign in Oil and Gas industry with special emphasis on reduction of import content in procurement and also to enhance the participation of domestic vendors for Oil and Gas industry.

Interested manufacturers intending to attend the above meet are requested to go through our list of imported items and furnish their credentials in the format given as per **Annexure latest by 11.09.2015** by email to guptaalok@indianoil.in and thomasj2@indianoil.in and be prepared to reach the venue by 9.30 AM.

Formal Invitation shall be sent separately to vendors by 15.09.2015.

**Sr. Materials Manager (I/c)
Indian Oil Corporation Ltd.
Gujarat Refinery
Vadodara**

List of Items imported (indicative) procured by Gujarat Refinery:

1. Burners & Burner spares (John Zink, Callidus, Hamworthy etc.)
2. Mechanical seals & spares
3. Pumps & Spares (Sundyne, Lawrence, Bornemann, Flowserve, Weir, CPC, Leistriz, Arai etc.)
4. Compressor Spares (Nuovo Pignone, Simplex Corporation, Plant Maintenance Corporation, Atlas Copco, Kobe Steel, HV Turbo, Compressor products International etc.)
5. Non-metallic valves & valve spares pertaining to the Sour Gas Compressor in Hydrocracker Unit (Compressor Products International)
6. Diaphragm coupling (gear box to compressor) of kobe compressor of LAB unit (Eagle)
7. Lube Oil Filter Cartridge (Indufil)
8. Main Air Blower spares of FCC Unit (GHH Borsig / Man turbo)
9. Frame Lube Oil Heater of Makeup Gas Compressor – DHDT unit (Caloritech)
10. Gas Turbine Spares
11. Co-planner manifold indexer rotary valve spares
12. Bearing Isolators (ISOMAG)
13. Spent Catalyst stand pipe Expansion Joint bellow of FCCU
14. Bellow for VSS line inside FCC Reactor
15. FCC expansion bellow spares
16. Agitator Spares
17. Decoking system spares
18. Hydrojetting machine Spares
19. Spares for BAFCO make DDSV (Double Disc Slide Valve) installed in FCC plant
20. Filter cartridge for the magnetic filter in MSQ unit (Meefil B.V.)
21. Filter element for Progaurd filtration system in DCU
22. Airfin cooler Fan spares (Moore fan)

23. Spares for HOWDEN make blower in SRU-III
24. Static Frequency converter spares (Ansaldo)
25. Spares for Ansaldo Motors
26. UPS System spares (Gutor, Chloride Industrial Systems (France))
27. Field Bus cable
28. SOX/NOX/CO Analyser Spares (Environment SA)
29. Ambient Air Monitoring Stations spares (Horiba)
30. Portable pneumatic calibrator
31. Spare Parts for ISOM-PENEX Drier Regeneration Control System (UOP)
32. Control valve spares (Metso)
33. Spare Parts for ISOM-PENEX Drier Regeneration Control System (DRCS) Valves (Cameron)
34. Variable flow single nozzle high volume long range foam cum water monitor-manual operated
35. Foam Pumps & spares (Edwards)
36. Hydraulic platform of working height 50 meters for rescue & fire fighting
37. Vibration Monitoring system and spares
38. I/P converter
39. Brass fittings, Copper tubes and other Instrument fittings
40. Multiple thermocouple assemblies
41. Gas Chromatograph
42. Bocle reference fluid
43. CFR Engine spare parts
44. ATF automatic particle counter as per IP – 565
45. Jet Fuel Thermal Oxidation Tester
46. Ball on cylinder lubricity evaluator (bocle) for lubricity test of ATF as per ASTM D 5001
47. Total Sediment tester
48. Automated Abel Flash Point apparatus
49. Other Laboratory equipments and spares
50. Elevator spares (Maspero)
51. Kone Crane spares
52. LIEBHERR MAKE crane spares
53. Vibratory feeder spares of DCU (McLanahan Corporation)
54. Sulphur Palletisation Unit spares of SRU-III (Sandvik)
55. Jacketed plug valves installed in sulphur palletisation unit (AZ Armaturen GmbH)
56. FLAME PROOF SAN locomotive spares (Pyroban)
57. Slide Valve spares in DCU (Z&J/Black Inc)
58. Velan Valve spares
59. Heading and unheading valve spares for DCU (Z&J)
60. CRU Catalyst
61. CO Promoter
62. Clay Filter
63. FCCU Catalyst
64. Isooctane 60% (LAB grade)
65. Bottom cracking additive
66. Catalyst for LAB plant
67. Hydrotreating Catalyst
68. Diesel hydrotreating catalyst system
69. DHDS Catalyst
70. Hydrocracker Catalyst
71. CRU UNIT- Pretreater catalyst
72. MTBE Primary reactor catalyst
73. Hot Oil for LAB plant

74. Claus reactor catalyst
75. Net Gas & LPG Chloride Guard Adsorbents for MSQ unit
76. Isooctane ASTM grade & N-Heptane ASTM grade
77. Activated charcoal for ATF MEROX
78. Perchloroethylene
79. DMDS
80. APS
81. Cetane Improver
82. Methanol
83. Other Process Chemicals
84. Refractories

B. TECHNICAL

a) **Factory/Works address:**

Contact person:

Landline & Mobile No:

E-mail id:

b) **Total area of factory:**

c) **Covered area of factory:**

d) **Are you authorized to use ISI Mark , please indicate the Is and furnish details:**

e) **Whether your Systems & facilities have been certified under ISO; If so, furnish the standard and name of Certifying body.**

C. FINANCIALS

1. Annual turnover for last 3 years

Turnover:

2014-15 :

2013-14 :

2012-13 :

D. REFERENCE

Are you on the approved list of vendors of the following.

- i) Any of units of Indian Oil Corporation Ltd:
- ii) Any other Govt. department, Ordinance Factory or Public Sector Undertaking:
- iii) Any Refineries/Petrochemicals/ Hydrocarbon/Fertilizers industry.
- iv) Any Reputed consultant such as Engineers India Ltd., PDIL, TOYO Engineering India Ltd., Lurgi India, Mecon Ltd., Jacobs Engineers, Uhde India, Foster Wheeler.

F. ANY OTHER RELEVANT INFORMATION

G. DECLARATION

Single Point Contact Person and Contact details for this Vendor Meet:

Contact person:

Designation:
