IndianOil is India's flagship national oil company with business interests straddling the entire hydrocarbon value chain – from refining, pipeline transportation and marketing of petroleum products to exploration & production of crude oil & gas, marketing of natural gas, and petrochemicals. It is the leading Indian corporate in the *Fortune* 'Global 500' listing, ranked at the 125th position in the year 2010. With a corporate vision to be the Energy of India, IndianOil closed the year 2009-10 with a sales turnover of ` 2,71,074 crore and profits of ` 10,221 crore.

Petroleum pipelines form a crucial part of India's infrastructure, enabling sustained availability of petroleum products in all parts of the country. Pipelines transport petroleum products from refineries to demand areas and crude oil from import terminals as well as domestic sources to the inland refineries.

Haldia – Mourigram – Rajbandh - Barauni Pipeline (HMRBPL) transports petroleum products from Haldia to Barauni with delivery at Mourigram and Rajbandh. It has an annual capacity of 2.65 MMTPA.
