<td>Servomesh Plus Oils are advanced extreme pressure type industrial gear lubricants specially formulated to protect heavily loaded gears against micropitting. They meet performance requirement of Flender AG, AGMA 9005-D95, US Steel 224, DIN 51517 CLP, David Brown S1.53.101, SEB 181-226. They provide extended component life, excellent wear protection and improved protection from micropitting fatigue.</td>
