## EXPRESSION OF INTEREST

Indian Oil Corporation (IOCL) operates the country's largest network of fuel stations (petrol pumps) in Urban, Highways & Rural market segment across India. Many of these fuel stations have built-up structures as well as open spaces available for non-fuel ventures. IOCL is planning to develop non-fuel facilities and amenities for travelers on these fuel stations utilizing these assets.

We invite interested Parties to write in with their Expression of Interest (EOI) for the above opportunities. Along with their ideas/area of collaboration, Parties may include their experience (if any) and their geographical preferences in their submission. Format for submission is appended as Annexure-01& 02 of EOI document.
