**FOR THE  
LOVE  
OF ART**

The 20<sup>th</sup> IndianOil Art Exhibition

The 20<sup>th</sup> IndianOil Art Exhibition is a live canvas glazed with the brush-strokes of vibrant talent and unbridled passion.

Art is not what one sees, but what one makes others see. It is a creative expression of the artist's own imagination and skill with the medium. When an artist puts his paint-brush to the canvas, altering and modifying as he works, he brings alive a vibrant symphony of colours and patterns that reflect his or her innermost thoughts and feelings.

IndianOil has always encouraged and promoted art in all forms. Now in its 20<sup>th</sup> edition, the IndianOil Art Exhibition at Mumbai has been providing a perfect platform for artists to showcase their works and win accolades from art connoisseurs. The event, now an integral part of the city's art calendar, has participation from well-known painters as well as budding artists. For the first time, in this edition, talented students from art schools will also display their works and share space with the veterans. As also the Corporation's own in-house talent. IndianOil takes pride in playing a small role in promoting art through this established event, and invites you to be a part of it as well.

Come, take a look at the diverse collection of art pieces on display at the 20<sup>th</sup> edition of the IndianOil Art Exhibition, and enrich your own collection.
