*ST. GLOBAL LIMITED is promoting its Maha Diwali party, which is being held on September 22nd.*

For catering, bakeries aren’t charging more, especially when they are playing cards. Caterers’ prices aren’t even as high as their Diwali celebrations, “said Duggal. “They want host parties that are more accessible and fun, and the caterers are trying to give that experience.”

Nonetheless, caterers are still offering the best Diwali parties they can. “We’ve got a few home caterings lined up for the weekends before Diwali, and we’re looking at families and friends who want to have a Diwali party at home,” says Mansher Duggal, co-founder of Delhi-based Duggal Catering Group.
