Transition

In the year 1987, Ms. Harinder Singh joined IndianOil under its first batch of sports stars. The corporation gave various opportunities and complete support for her to excel at table tennis. In 1993, she was categorised as 'mainstreamed' player due to knee injury which impacted her sports career.

Fuelling success at IndianOil & beyond

Ms Harinder Singh joined IndianOil in 1987 in General Sales, Chandigarh. Thanks to immense support from her seniors and colleagues, it was a smooth transition for Ms Harinder as she got the opportunity to work in the field locations under various departments like HR, General Sales, LPG sales, Consumer Sales etc. So much so that she received an appreciation letter from Mr O N Marwaha, Director (Marketing) for commissioning the highest number of Retail Outlets (15 Ros) in 1998 and LPG Safety Clinic in 1996 under Ropar Sales Area.

Ms Harinder Singh played diverse roles in HR and sales across various locations like Mumbai, NRO, Chandigarh SA, Ludhiana SA, Consumer Sales Divisional Office Chandigarh, Shimla DO, UPSO-I and UPSO II. She is currently serving as DGM (IB), Chandigarh Divisional Office.

While I was in sports, IndianOil worked as back bone and gave full opportunity to excel. While in mainstream, the Corporate role gave me recognition within the company as well as outside, while dealing with customers and channel partners. All this work-related travelling, meeting people within and outside the organisation helped me grow not just professionally but also aided in my personal growth.

Thanks to IndianOil. I'm proud to be an IOCIan.
