Fuelling success at IndianOil & beyond

Transitioning from the fast-paced world of sports, Ms N R Indu initially found it tough to stay seated for a long period while serving in her new job profile. However, thanks to some amazing bosses and seniors at IndianOil, who gave her the requisite support at every level. Presently serving as Chief Manager (ES), Southern Region Office, Ms Indu is handling her new role, managing Loans & Advances, Furniture & Mobile claims, HBA, Holiday Home booking and Medical reimbursement claims of employees with the same aplomb. She feels that the 'Employee Services' has specially been gratifying as one can see/feel the tangible result on completion of every work.

IndianOil has played a pivotal role in my Table Tennis career by acting as a catalyst in supporting my Table Tennis` career and social requirement to stay in the sport. It was always a matter of pride representing IndianOil and PSPB at various National Level tournaments. Joining IndianOil was like reaching pinnacle of glory in Table Tennis since it had stalwarts in its roles. Till date, it feels good when office colleagues recognise me as a former Table Tennis player.
