Mumbai: Samples of two more suspected patients of monkeypox have tested negative for the virus, said state public health officials on Friday.

With these results, the state has so far tested 10 people for monkeypox over the last few weeks, said state surveillance officer Dr Pradip Awate.

"The 10 samples were sent to NIV (National Institute of Virology) in Pune and all have come back negati-

TOI had in edition dated July 28 reported about a 30-year-old man from West Bengal who was admitted to Ahmednagar Civil Hospital with symptoms suggesting monkeypox. He is among the two suspects who tested negative on Friday.

Meanwhile, Dr Awate said that two more laboratories in the state will test for monkeypox.

While the union government had initially only allowed NIV to test for

the virus, earlier in the week it gave permission to 15 more centres to con-

"Monkeypox diagnosis facility will also be available at Kasturba Hospital Central Laboratory, Mumbai, and All India Institute of Medical Sciences, Nagpur," added Dr Awate.

Two of the 10 suspects were from Mumbai, and the test on the second suspect was conducted at Kasturba

Only three or the 10 suspects had a

travel history. According to BMC officials, the monkeypox suspects in Mumbai were later diagnosed as cases of chicken pox and hand-foot-andmouth disease

Monkeypox is a viral infection caused by a virus belonging to the same family of viruses that cause the deadly smallpox. A few days back, the World Health Organisation declared monkeypox as a global health emergency, with cases affecting 19,000 people across 75 countries

age in seven districts of Vidarbha and two in Marathwada has been the severest due to the heavy rain in Maharashtra early this month for a prolonged period. Data compiled by the agriculture department on July 27 stated that over 10.7 lakh hectares of standing crops were damaged in the state. Of this, crops in over 5.7 lakh hectares were damaged in seven districts of Vidarbha and over 3.7 lakh hectares in two districts of Marath-

wada. The maximum crop damage spread over one lakh acre was reported from Nanded, Amravati, Yavatmal and wardha. Districts such as Sangli, Kolhapur, Washim, Ratnagiri and Thane reported least damfact. Sangli reported crop

Nashik: Standing crop dam- damage for only two hectares and in Kolhapur about 25 hectares. Districts like Pune reported crop loss in 2.500 hectares and Nashik about 1,150 hectares.

"The bulk of the damage involves sovbean and cotton. To some extent, tur crops, too, were damaged. Over 42% of panchama of affected areas have been completed and the rest will be done by early next week," a department official said.

The department asked district administrations to furnish lists of affected farmers quickly. "Once we get the list of the affected farmers from districts, a report will be prepared on crop loss and affected farmers, and it will be submitted to the state government for decisions related to compenage to the standing crops. Elgar case accused: NIA got emails sans proper approval

Mumbai: Activist Arun Ferreira, an accused in the Elgar Parishad case, told the special NIA court in Mumbai on Friday that the electronic evidence (emails) relied on by the prosecution was obtained without "proper authorisation". The NIA, however, contended that the emails were not intercepted but downloaded during the probe by following due procedure.

Ferreira told the court that he had filed an application two months ago seeking directions to the prosecution to produce an order from a competent authority to carry out such interception. Ferreira had claimed that the email conversations between fellow accused Rona Wilson and one of the wanted accused were intercepted by Pune police on multiple occasions in 2018. The material derived from it is being presented as evidence by the prosecution, he said. pn
